Practice Equipment and Field

Note 2: FBC endeavors to make football as affordable as possible, we will work with any family to ensure cost is not an obstacle to playing football. To this end, FBC uses fundraising and sponsorships to offset Player Fees as follows:

Fundraising and Sponsorship contributions made on behalf of a player reduce Player Fees by \$0.50 for every dollar raised or earned.

- Sponsorship letters and forms are located on our website.
- Fundraising and sponsorship contributions are non-refundable and non-transferable. These funds are contributed to FBC Football and will only be used to offset the player fees outlined above. Other fees, such as volunteer buyouts, concessions, etc. are excluded, and will need to be purchased separately.
- Checks from sponsors should be made payable to HCYA.
- If a player receives a sponsorship contribution after he has paid his fees in full, the account will be credited and money paid by the player before 8/3/2017 will be refunded after the season concludes.

Note 3: Payments made after this date may delay arrival of uniforms and equipment.
